

Daco Scientific Ltd Privacy Policy

Daco Scientific Ltd is committed to safeguarding your privacy and we promise to take all reasonable steps to keep the personal information you have provided to us secure. We will only use your personal data for legitimate business purposes such as to fulfil your orders, provide information about our products or services that you have requested from us or where we need to comply with a legal or regulatory obligation. In particular:

- *we will not disclose your personal data to any third party without your prior written consent.*
- *you have the right to request a copy of the personal data we hold about you.*
- *you have the right to request corrections to any inaccuracies in your personal data.*
- *you have the right to request deletion of your personal data.*

We use different methods to collect personal data about you. You can give us your data by filling in forms or by corresponding with us by post, telephone, email or otherwise. This includes data you provide when you:

- *purchase our products or services.*
- *supply us with products or services.*
- *request brochures or other information to be sent to you via our website or from our sales team.*

If you have any queries regarding the personal data we hold on you, then please contact us.
